

National Development League 3

Thursday, 19 November 2009

Broughton RFC have kindly offered to host the NDL day 3 at Wardie Recreation Ground, Granton Road, Edinburgh EH5 3NJ on Sunday 6th December 2009 and we would like to invite your club/players to attend. As you will know the NDL encourages new or less experienced players to attend (or any player who has not been involved in the Scotland squad selection in the last 2 years). Coaching sessions have a focus on basic core rugby skills coached at a more appropriate level for the level of experience.

Please can you pass this information onto all of your players, inviting them to attend.

Directions to venue is in the link below:

If your club would like to host an NDL fixture please let me know as soon as possible. The remaining fixture dates are 17th January, 14th February and 25th April (probably Oban), and we would like to spread it across the country.

Please confirm number of players by Wednesday 25th November and then return the attached player registration form to me no later than Monday 30th November.

Look forward to seeing you there on the day. If you have any problems, please let me know.

Thanks

Sheena
