

Sunday Rugby Funday at Madras FP RFC

Thursday, 19 November 2009

Come and try your hand at THE best sport in town! The Madras Saints welcome girls of all ages to come and give rugby a go! Having played before, played touch at school or never played at all this is the chance for you to meet the Town team and try your hand at the new up and coming sport. Rugby is a great chance to get out there, meet friends and get fit.

At 12noon on Sunday 29th November Madras Saints are opening the doors to the community to get to know the sport and come and support the team. Bring your mums, sisters aunts and grandmas - all are welcome! There will be a barbeque, a cash bar and an array of home bakes - so get your shorts on, rugby boots in hand and have a GREAT Sunday!!

At Madras FP RFC Club house, Station Park, St Andrews.
